stir up trouble.

This June, Virginia became one of four states that recently enacted laws allowing loaded, concealed guns in bars.¹ How safe would you feel if you knew the person drinking beer **right next to you was carrying a loaded gun?**

KEITH FIMIAN HAS BEEN SILENT ON THIS ISSUE. WHY?

If he won't stand up for common sense today, how can we expect him to do it in the future?

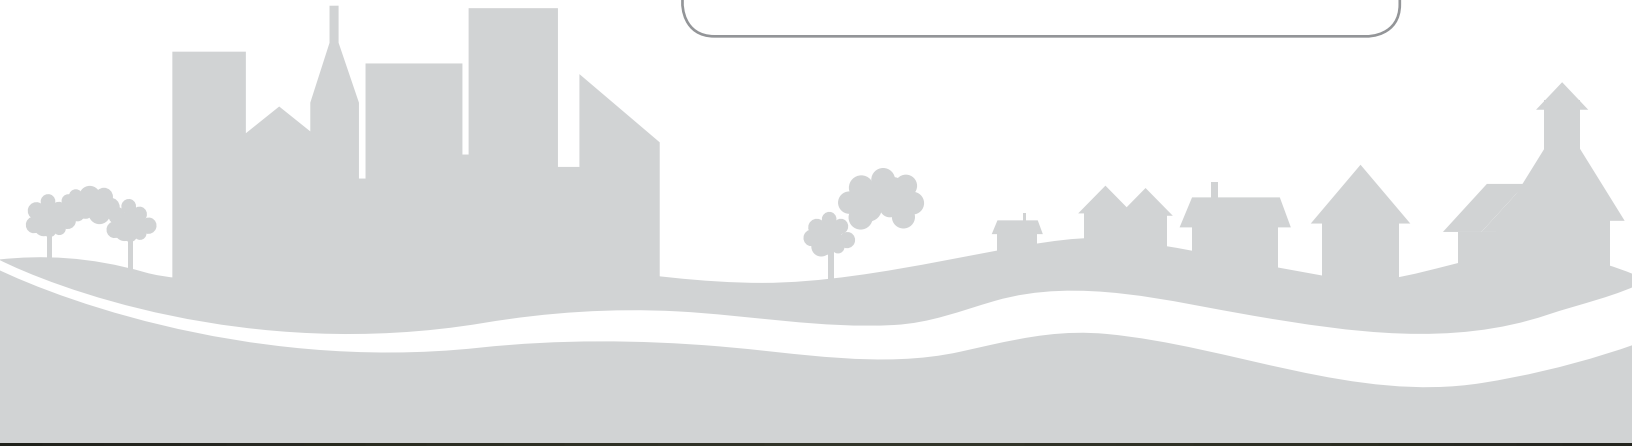

**Let's face it:
LOADED GUNS
& ALCOHOL are
a dangerous mix.**

And yet **KEITH FIMIAN** fails to take a stand against legislation that allows loaded guns in Virginia bars.

mixing guns and alcohol
is a dumb idea.**
